Dear Patron,

The Lloyd Memorial High School Band Boosters will be hosting our annual 19<sup>th</sup> Annual "Music in Motion" Marching Band Competition Saturday, September 13, 2008. Many competitors from various talented schools within Greater Cincinnati and Northern Kentucky along with hundreds of spectators will attend this exciting daylong event of the arts.

The Lloyd Memorial High School Band Boosters would like to invite you to show your support of the Lloyd Band Program by placing an advertisement in our "Music in Motion" program, sponsoring a judge, donating a product or service, or renting booth space at the competition. Whichever option you choose, you will know you are supporting a vital program in our community and helping make our competition a success. What a great way to show your support and commitment to the importance of education, our students and the band program.

### ***Did you know...***

In 2002, SAT takers with course work/experience in music performance scored 57 points higher on the verbal portion of the test, and 41 points higher on the math portion than students with no course work or experience in the arts.
